Dear Residents,

We are so glad to inform you that the sealcoat project has been completed. Today, the construction crew has started stripping the street, the speed bumps, and the guest parking lots in the community. Therefore, **we are requesting you to pay attention and read the messages in the caution cones located on each guest parking lot entrance informing you of the stripping on the next day from 9am to 2pm.**

Please move your vehicle(s) out of the guest parking during that time and **park only when you see the feeder lanes already painted**, obeying the rule to use the guest parking space no more than 48 hours.

The stripping continues as a weather-permitting.

Thank you for your patience and collaboration while we finalized the whole project.
